2009 All-State Committees & Information

GUIDELINES

The SCHSSCA sponsors an All-State Team for each classification that the SCHSL awards an individual state champion. The following guidelines should be followed when selecting the All-State Team.

- Must be a member of the SCACA and SCHSSCA for 2008-2009 school year.
- Must be present at SCHSSCA All-State Meeting on Sunday, May 10, 2009 at Brookland-Cayce High School (1300 State Street, Cayce, SC 29033) at 10:00 a.m. Only “invited” members as indicated on this list are allowed to attend.
- Committee members are expected to "do their homework" prior to attending the meeting in order to ensure that the meetings are efficient and thorough.
- Please check personal egos and agendas at the door prior to the meeting.
- An 18 player All-State Team will be selected for: Boys – Class 4A, 3A, 2A, and 1A; Girls – Class 4A, 3A, and 2A/1A.
- The All-State Award is based on 2008 performance only – *not* past accomplishments or achievements.
- All teams will consist of at least one goalkeeper.
- Consideration for all geographic areas of the state should be taken into account.
- This is a High School award and club participation and performances should not be the deciding factor.
- If a player is going to attend a NCAA major Division I school, then he/she should be strongly considered for inclusion.
- NSCAA All-American(s) and All-South players should be strongly considered.
- Priority for selection should be for players that have played and contributed to high-level programs – i.e. – ranked teams.
- We are looking to select the strongest 18 players regardless of position or year in school. However, if a tie-breaker should exist, preference should go to the older player.
- Players selected to the Clash of the Carolinas all-star team should be strongly considered for inclusion.
